Subtitle A--FHA-Insured Multifamily Housing Mortgage and Housing Assistance Restructuring

SEC. 511. FINDINGS AND PURPOSES.

(a) Findings.--Congress finds that--

(1) there exists throughout the Nation a need for decent, safe, and affordable housing;

(2) as of the date of enactment of this Act, it is estimated that--

(A) the insured multifamily housing portfolio of the Federal Housing Administration consists of 14,000 rental properties, with an aggregate unpaid principal mortgage balance of \$38,000,000,000; and

- (B) approximately 10,000 of these properties contain housing units that are assisted with project-based rental assistance under section 8 of the United States Housing Act of 1937;
- (3) FHA-insured multifamily rental properties are a major Federal investment, providing affordable rental housing to an estimated 2,000,000 low- and very low-income families;
- (4) approximately 1,600,000 of these families live in dwelling units that are assisted with project-based rental assistance under section 8 of the United States Housing Act of 1937;
- (5) a substantial number of housing units receiving project-based assistance have rents that are higher than the rents of comparable, unassisted rental units in the same housing rental market;
- (6) many of the contracts for project-based assistance will expire during the several years following the date of enactment of this Act;
- (7) it is estimated that--
- (A) if no changes in the terms and conditions of the contracts for project-based assistance are made before fiscal year 2000, the cost of renewing all expiring rental assistance contracts under section 8 of the United States Housing Act of 1937 for both project-based and tenant-based rental assistance will increase from approximately \$3,600,000,000 in fiscal year 1997 to over \$14,300,000,000 by fiscal year 2000 and some \$22,400,000,000 in fiscal year 2006;
- (B) of those renewal amounts, the cost of renewing project-based assistance will increase from \$1,200,000,000 in fiscal year 1997 to almost \$7,400,000,000 by fiscal year 2006; and
- (C) without changes in the manner in which project-based rental assistance is provided, renewals of expiring contracts for project-based rental assistance will require an increasingly larger portion of the discretionary budget authority of the Department of Housing and Urban Development in each subsequent fiscal year for the foreseeable future;
- (8) absent new budget authority for the renewal of expiring rental contracts for project-based assistance, many of the FHA-insured multifamily housing projects that are assisted with project-based assistance are likely to default on their FHA-insured mortgage payments, resulting in substantial claims to the FHA General Insurance Fund and Special Risk Insurance Fund;
- (9) more than 15 percent of federally assisted multifamily housing projects are physically or financially distressed, including a number which suffer from mismanagement;
- (10) due to Federal budget constraints, the downsizing of the Department of Housing and Urban Development, and diminished administrative capacity, the Department lacks the ability to ensure the continued economic and physical well-being of the stock of federally insured and assisted multifamily housing projects;
- (11) the economic, physical, and management problems facing the stock of federally insured and assisted multifamily housing projects will be best served by reforms that--
- (A) reduce the cost of Federal rental assistance, including project-based assistance, to these projects by reducing the debt service and operating costs of these projects while retaining the low-income affordability and availability of this housing;

- (B) address physical and economic distress of this housing and the failure of some project managers and owners of projects to comply with management and ownership rules and requirements; and
 - (C) transfer and share many of the loan and contract administration functions and responsibilities of the Secretary to and with capable State, local, and other entities; and
- (12) the authority and duties of the Secretary, not including the control by the Secretary of applicable accounts in the Treasury of the United States, may be delegated to State, local or other entities at the discretion of the Secretary, to the extent the Secretary determines, and for the purpose of carrying out this [Act, title](#), so that the Secretary has the discretion to be relieved of processing and approving any document or action required by these reforms.

(b) Purposes.--Consistent with the purposes and requirements of the Government Performance and Results Act of 1993, the purposes of this subtitle are--

- (1) to preserve low-income rental housing affordability and availability while reducing the long-term costs of project-based assistance;
- (2) to reform the design and operation of Federal rental housing assistance programs, administered by the Secretary, to promote greater multifamily housing project operating and cost efficiencies;
- (3) to encourage owners of eligible multifamily housing projects to restructure their FHA-insured mortgages and project-based assistance contracts in a manner that is consistent with this subtitle before the year in which the contract expires;
- (4) to reduce the cost of insurance claims under the National Housing Act related to mortgages insured by the Secretary and used to finance eligible multifamily housing projects;
- (5) to streamline and improve federally insured and assisted multifamily housing project oversight and administration;
- (6) to resolve the problems affecting financially and physically troubled federally insured and assisted multifamily housing projects through cooperation with residents, owners, State and local governments, and other interested entities and individuals;
- (7) to protect the interest of project owners and managers, because they are partners of the Federal Government in meeting the affordable housing needs of the Nation through the section 8 rental housing assistance program;
- (8) to protect the interest of tenants residing in the multifamily housing projects at the time of the restructuring for the housing; and
- (9) to grant additional enforcement tools to use against those who violate agreements and program requirements, in order to ensure that the public interest is safeguarded and that Federal multifamily housing programs serve their intended purposes.

(b) Required Commitment.--After the initial renewal of a section 8 contract pursuant to this section, the owner shall accept each offer made pursuant to subsection (a) to renew the contract, for the term of the affordability and use restrictions required by section 514(e)(6), if the offer to renew is on terms and conditions specified in the mortgage restructuring and rental assistance sufficiency plan.

(c) Determination of Whether To Renew With Project-Based or Tenant-Based Assistance.--

(1) Mandatory renewal of project-based assistance.--Section 8 assistance shall be renewed with project-based assistance, if--

(A) the project is located in an area in which the participating administrative entity determines, based on housing market indicators, such as low vacancy rates or high absorption rates, that there is not adequate available and affordable housing or that the tenants of the project would not be able to locate suitable units or use the tenant-based assistance successfully;

(B) a predominant number of the units in the project are occupied by elderly families, disabled families, or elderly and disabled families; or

(C) the project is held by a nonprofit cooperative ownership housing corporation or nonprofit cooperative housing trust.

(2) Rental assistance assessment plan.--

(B) Rental assistance assessment plan requirements.--Each rental assistance assessment plan developed under this paragraph shall include an assessment of the impact of converting to tenant-based assistance and the impact of extending project-based assistance on--

(ii) the types of tenants residing in the project (such as elderly families, disabled families, large families, and cooperative homeowners);

(iii) the local housing needs identified in the comprehensive housing affordability strategy, and local market vacancy trends;

(iv) the cost of providing assistance, comparing the applicable payment standard to the project's adjusted rent levels determined under section 514(g);

(v) the long-term financial stability of the project;

(vi) the ability of residents to make reasonable choices about their individual living situations;

(vii) the quality of the neighborhood in which the tenants would reside; and

(viii) the project's ability to compete in the marketplace.

(C) Reports to director.--Each participating administrative entity shall report regularly to the Director as defined in subtitle D, as the Director shall require, identifying--

(i) each eligible multifamily housing project for which the entity has developed a rental assistance assessment plan under this paragraph that determined that the tenants of the project generally supported renewal of assistance with tenant-based assistance, but under which assistance for the project was renewed with project-based assistance; and

(ii) each project for which the entity has developed such a plan under which the assistance is renewed using tenant-based assistance.

(3) Eligibility for tenant-based assistance.--Subject to paragraph (4), with respect to any project that is not described in paragraph (1), if a participating administrative entity approves the use of tenant-based assistance based on a rental assistance assessment plan developed under paragraph (2), tenant-based assistance shall be provided to each assisted family (other than a family already receiving tenant-based assistance) residing in the project at the time the assistance described in section 512(2)(B) terminates.

~~(4) Rents for families receiving tenant-based assistance.--~~

~~(A) In general.--Notwithstanding subsection (c)(1) or (o)(1) of section 8 of the United States Housing Act of 1937, in~~ 4) Assistance through enhanced vouchers.--In the case of any family described in paragraph (3) that resides in a project described in section ~~512(2)(B) in which the reasonable rent (which rent shall include any amount allowed for utilities and shall not exceed comparable market rents for the relevant housing market area) exceeds the fair market rent limitation or the payment standard, as applicable, the amount of assistance for the family shall be determined in accordance with subparagraph (B).~~ 512(2)(B), the tenant-based assistance provided shall be enhanced voucher assistance under section 8(t) of the United States Housing Act of 1937 (42 U.S.C. 1437f(t)).

~~(B) Maximum monthly rent; payment standard.--With respect to the certificate program under section 8(b) of the United States Housing Act of 1937, the maximum monthly rent under the contract (plus any amount allowed for utilities) shall be such reasonable rent for the unit. With respect to the voucher program under section 8(o) of the United States Housing Act of 1937, the payment standard shall be deemed to be such reasonable rent for the unit.~~ 512(2)(B), the tenant-based assistance provided shall be enhanced voucher assistance under section 8(t) of the United States Housing Act of 1937 (42 U.S.C. 1437f(t)).

SEC. 517. RESTRUCTURING TOOLS.

(a) Mortgage Restructuring.--

(1) In this part, an approved mortgage restructuring and rental assistance sufficiency plan shall include restructuring mortgages in accordance with this subsection to provide--

(A) a restructured or new first mortgage that is sustainable at rents at levels that are established in section 514(g); and

(B) a second mortgage that is in an amount equal to not more than the greater of--

(i) the full or partial payment of claim made under this subtitle; or

(ii) the difference between the restructured or new first mortgage and the indebtedness under the existing insured mortgage immediately before it is restructured or refinanced, provided that the amount of the second mortgage shall be in an amount that the Secretary or participating administrative entity determines can reasonably be expected to be repaid.

(2) The second mortgage shall bear interest at a rate not to exceed the applicable Federal rate as defined in section 1274(d) of the Internal Revenue Code of 1986. The term of the second mortgage shall be equal to the term of the restructured or new first mortgage.

(3) Payments on the second mortgage shall be deferred when the first mortgage remains outstanding, except to the extent there is excess project income remaining after payment of all reasonable and necessary operating expenses (including deposits in a reserve for replacement), debt service on the first mortgage, and any other expenditures approved by the Secretary. At least 75 percent of any excess project income shall be applied to payments on the second mortgage, and the Secretary or the participating administrative entity may permit up to 25 percent to be paid to the project owner if the Secretary or participating administrative entity determines that the project owner meets benchmarks for management and housing quality.

(4) The full amount of the second mortgage shall be immediately due and payable if--

(A) the first mortgage is terminated or paid in full, except as otherwise provided by the holder of the second mortgage;

(B) the project is purchased and the second mortgage is assumed by any subsequent purchaser in violation of guidelines established by the Secretary; or

(C) the Secretary provides notice to the project owner that such owner has failed to materially comply with any requirements of this section or the United States Housing Act of 1937 as those requirements apply to the project, with a reasonable opportunity for such owner to cure such failure.

(5) The Secretary may modify the terms of the second mortgage, assign the second mortgage to the acquiring organization or agency, or forgive all or part of the second mortgage if the Secretary holds the second mortgage and if the project is acquired by a tenant organization or tenant-endorsed community-based nonprofit or public agency, pursuant to guidelines established by the Secretary.

(6) The second mortgage under this section may be a first mortgage if no restructured or new first mortgage will meet the requirement of paragraph (1)(A).

(b) Restructuring Tools.--In addition to the requirements of subsection (a) and to the extent these actions are consistent with this section and with the control of the Secretary of applicable accounts in the Treasury of the United States, an approved mortgage restructuring and rental assistance sufficiency plan under this subtitle may include 1 or more of the following actions:

(1) Full or partial payment of claim.--Making a full payment of claim or partial payment of claim under section 541(b) of the National Housing Act, as amended by section 523(b) of this Act. Any payment under this paragraph shall not require the approval of a mortgagee.

If the refinancing involves a mortgage that will continue to be insured under the National Housing Act, the refinancing shall be documented through amendment of the existing insurance contract and not through a new insurance contract.

(3) Mortgage insurance.--Providing FHA multifamily mortgage insurance, reinsurance or other credit enhancement alternatives, including multifamily risk-sharing mortgage programs, as provided under section 542 of the Housing and Community Development Act of 1992. Any limitations on the number of units available for mortgage insurance under section 542 shall not

Subject to the availability of amounts provided in advance in appropriations Acts for administrative fees under section 8 of the United States Housing Act of 1937, such amounts may be used to compensate participating administrative entities for compliance monitoring costs incurred under section 519.

(6) Use of project accounts.--Applying any residual receipts, replacement reserves, and any other project accounts not required for project operations, to maintain the long-term affordability and physical condition of the property or of other eligible multifamily housing projects. The participating administrative entity may expedite the acquisition of residual receipts, replacement reserves, or other such accounts, by entering into agreements with owners of housing covered by an expiring contract to provide an owner with a share of the receipts, not to exceed 10 percent, in accordance with guidelines established by the Secretary.

(c) Rehabilitation Needs and Addition of Significant Features.--

Rehabilitation under this paragraph shall only be for the purpose of restoring the project to a non-luxury standard adequate for the rental market intended at the original approval of the project-based assistance.

(B) Contribution.--Each owner or purchaser of a project to be rehabilitated under an approved mortgage restructuring and rental assistance sufficiency plan shall contribute, from non-project resources, not less than 25 percent of the amount of rehabilitation

~~(A) projects for which the primary financing or mortgage insurance was provided by a unit of State government or a unit of general local government (or an agency or instrumentality of either) and is not insured under the National Housing Act;~~

~~(B) projects for which the primary financing was provided by a unit of State government or a unit or general local government (or an agency or instrumentality of either) and the financing involves mortgage insurance under the National Housing Act, such that the implementation of a mortgage restructuring and rental assistance sufficiency plan under this Act is in conflict with applicable law or agreements governing such financing;~~

~~(C) projects financed under section 202 of the Housing Act of 1959 or section 515 of the Housing Act of 1949;~~

~~(D) projects that have an expiring contract under section 8 of the United States Housing Act of 1937 pursuant to section 441 of the Stewart B. McKinney Homeless Assistance Act; and~~

~~(E) projects that do not qualify as eligible multifamily housing projects pursuant to section 512(2) of this subtitle.—In General.—~~

~~(1) Renewal.—Subject to paragraph (2), upon termination or expiration of a contract for project-based assistance under section 8 for a multifamily housing project (and notwithstanding section 8(v) of the United States Housing Act of 1937 for loan management assistance), the~~

Secretary shall, at the request of the owner of the project and to the extent sufficient amounts are made available in appropriation Acts, use amounts available for the renewal of assistance under section 8 of such Act to provide such assistance for the project. The assistance shall be provided under a contract having such terms and conditions as the Secretary considers appropriate, subject to the requirements of this section. This section shall not require contract renewal for a project that is eligible under this subtitle for a mortgage restructuring and rental assistance sufficiency plan, if there is no approved plan for the project and the Secretary determines that such an approved plan is necessary.

(2) Prohibition on renewal.--Notwithstanding part 24 of title 24 of the Code of Federal Regulations, the Secretary may elect not to renew assistance for a project otherwise required to be renewed under paragraph (1) or provide comparable benefits under paragraph (1) or (2) of subsection (e) for a project described in either such paragraph, if the Secretary determines that a violation under paragraphs (1) through (4) of section 516(a) has occurred with respect to the project. For purposes of such a determination, the provisions of section 516 shall apply to a project under this section in the same manner and to the same extent that the provisions of such section apply to eligible multifamily housing projects, except that the Secretary shall make the determination under section 516(a)(4).

(3) Contract term for mark-up-to-market contracts.--In the case of an expiring or terminating contract that has rent levels less than comparable market rents for the market area, if the rent levels under the renewal contract under this section are equal to comparable market rents for the market area, the contract shall have a term of not less than 5 years, subject to the availability of sufficient amounts in appropriation Acts.

(4) Renewal rents.--Except as provided in subsection (b), the contract for assistance shall provide assistance at the following rent levels:

(A) Market rents.--At the request of the owner of the project, at rent levels equal to the lesser of comparable market rents for the market area or 150 percent of the fair market rents, in the case only of a project that--

(i) has rent levels under the expiring or terminating contract that do not exceed such comparable market rents;

(ii) does not have a low- and moderate- income use restriction that can not be eliminated by unilateral action by the owner;

(iii) is decent, safe, and sanitary housing, as determined by the Secretary;

(iv) is not--

(I) owned by a nonprofit entity;

(II) subject to a contract for moderate rehabilitation assistance under section 8(e)(2) of the United States Housing Act of 1937, as in effect before October 1, 1991; or

(III) a project for which the public housing agency provided voucher assistance to one or more of the tenants after the owner has provided notice of termination of the contract covering the tenant's unit; and

(v) has units assisted under the contract for which the comparable market rent exceeds 110 percent of the fair market rent.

The Secretary may adjust the percentages of fair market rent (as specified in the matter preceding clause (i) and in clause (v)), but only upon a determination and written notification to the Congress within 10 days of making such determination, that such adjustment is necessary to ensure that this subparagraph covers projects with a high risk of nonrenewal of expiring contracts for project-based assistance.

(B) Reduction to market rents.--In the case of a project that has rent levels under the expiring or terminating contract that exceed comparable market rents for the market area, at rent levels equal to such comparable market rents.

(C) Rents not exceeding market rents.--In the case of a project that is not subject to subparagraph (A) or (B), at rent levels that--

(i) are not less than the existing rents under the terminated or expiring contract, as adjusted by an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment), if such adjusted rents do not exceed comparable market rents for the market area; and

(ii) do not exceed comparable market rents for the market area.

In determining the rent level for a contract under this subparagraph, the Secretary shall approve rents sufficient to cover budget-based cost increases and shall give greater consideration to providing rent at a level up to comparable market rents for the market area based on the number of the criteria under clauses (i) through (iii) of subparagraph (D) that the project meets. Notwithstanding any other provision of law, the Secretary shall include in such budget-based cost increases costs relating to the project as a whole (including costs incurred with respect to units not covered by the contract for assistance), but only (I) if inclusion of such costs is requested by the owner or purchaser of the project, (II) if inclusion of such costs will permit capital repairs to the project or acquisition of the project by a nonprofit organization, and (III) to the extent that inclusion of such costs (or a portion thereof) complies with the requirement under clause (ii).

(D) Waiver of 150 percent limitation.--Notwithstanding subparagraph (A), at rent levels up to comparable market rents for the market area, in the case of a project that meets the requirements under clauses (i) through (v) of subparagraph (A) and--

(i) has residents who are a particularly vulnerable population, as demonstrated by a high percentage of units being rented to elderly families, disabled families, or large families;

(ii) is located in an area in which tenant-based assistance would be difficult to use, as demonstrated by a low vacancy rate for affordable housing, a high turnback rate for vouchers, or a lack of comparable rental housing; or

(iii) is a high priority for the local community, as demonstrated by a contribution of State or local funds to the property.

In determining the rent level for a contract under this subparagraph, the Secretary shall approve rents sufficient to cover budget-based cost increases and shall give greater consideration to providing rent at a level up to comparable market rents for the market area based on the number of the criteria under clauses (i) through (iv) that the project meets.

(5) Comparable market rents and comparison with fair market rents.--The Secretary shall prescribe the method for determining comparable market rent by comparison with rents charged for comparable properties (as such term is defined in section 512), which may include appropriate adjustments for utility allowances and adjustments to reflect the value of any subsidy (other than section 8 assistance) provided by the Department of Housing and Urban Development.

(b) Exception Rents.--

(1) Renewal.--In the case of a multifamily housing project described in paragraph (2), pursuant to the request of the owner of the project, the contract for assistance for the project pursuant to subsection (a) shall provide assistance at the lesser of the following rent levels:

(A) Adjusted existing rents.--The existing rents under the expiring contract, as adjusted by an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment).

(B) Budget-based rents.--Subject to a determination by the Secretary that a rent level under this subparagraph is appropriate for a project, a rent level that provides income sufficient to support a budget-based rent (including a budget-based rent adjustment if justified by reasonable and expected operating expenses).

(2) Projects covered.--A multifamily housing project described in this paragraph is a multifamily housing project that--

(A) is not an eligible multifamily housing project under section 512(2); or

(B) is exempt from mortgage restructuring under this subtitle pursuant to section 514(h).

(3) Moderate rehabilitation projects.--In the case of a project with a contract under the moderate rehabilitation program, other than a moderate rehabilitation contract under section 441 of the Stewart B. McKinney Homeless Assistance Act, pursuant to the request of the owner of the project, the contract for assistance for the project pursuant to subsection (a) shall provide assistance at the lesser of the following rent levels:

(A) Adjusted existing rents.--The existing rents under the expiring contract, as adjusted by an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment).

(B) Fair market rents.--Fair market rents (less any amounts allowed for tenant-purchased utilities).

(C) Market rents.--Comparable market rents for the market area.

(c) Rent Adjustments After Renewal of Contract.--

(1) Required.--After the initial renewal of a contract for assistance under section 8 of the United States Housing Act of 1937 pursuant to subsection (a), (b)(1), or (e)(2), the Secretary shall annually adjust the rents using an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment) or, upon the request of the owner and subject to approval of the Secretary, on a budget basis. In the case of projects with contracts renewed pursuant to subsection (a) or pursuant to subsection (e)(2) at rent levels equal to comparable market rents for the market area, at the expiration of each 5-year period, the Secretary shall compare existing rents with comparable market rents for the market area and may make any

adjustments in the rent necessary to maintain the contract rents at a level not greater than comparable market rents or to increase rents to comparable market rents.

(2) Discretionary.--In addition to review and adjustment required under paragraph (1), in the case of projects with contracts renewed pursuant to subsection (a) or pursuant to subsection (e)(2) at rent levels equal to comparable market rents for the market area, the Secretary may, at the discretion of the Secretary but only once within each 5-year period referred to in paragraph (1), conduct a comparison of rents for a project and adjust the rents accordingly to maintain the contract rents at a level not greater than comparable market rents or to increase rents to comparable market rents.

(d) Enhanced Vouchers Upon Contract Expiration.--

(1) In general.--In the case of a contract for project-based assistance under section 8 for a covered project that is not renewed under subsection (a) or (b) of this section (or any other authority), to the extent that amounts for assistance under this subsection are provided in advance in appropriation Acts, upon the date of the expiration of such contract the Secretary shall make enhanced voucher assistance under section 8(t) of the United States Housing Act of 1937 (42 U.S.C. 1437f(t)) available on behalf of each low-income family who, upon the date of such expiration, is residing in an assisted dwelling unit in the covered project.
