## **Need Housing Counseling? There's an app for that!**

HUD's new mobile app allows smartphone and tablet users to locate housing counselors in their own area. There is strong evidence that housing counseling can help distressed homeowners avoid foreclosure and obtain more favorable modifications. In addition, pre-purchase counseling can help individuals determine if they are ready for homeownership, and connect them with safer and more affordable mortgages. Download the new app from the iTunes store at:
