

**DETAILS ON RECIPIENTS OF BROWNFIELDS ECONOMIC DEVELOPMENT
INITIATIVE (BEDI) GRANTS AND SECTION 108 LOAN GUARANTEES**

New York State

- **Onondaga County** will receive \$250,000 of BEDI funds and \$500,000 in Section 108 loan guarantees to redevelop the Con-Agra Brownfield Redevelopment site in the Village of Baldwinsville, New York. The project consists of acquisition of the site, demolition of the existing dilapidated structure, remediation, and construction of a class A commercial building. The site located not far from the Erie Canal within the Village, and will complement the comprehensive redevelopment effort occurring along the canal throughout other communities in New York State. The modern 7,500 square foot structure will lead to the creation of 22 jobs for the community. BEDI funds will be use to address environmental hazards and the blighting effect of the underutilized industrial site, and Section 108 loan guarantee proceeds will be loaned to developers who will acquire the site and construct the commercial building. The project is expected to generate another \$425,000 in private funds. Total project costs are anticipated to be \$1,175,000.
