Purpose:

The MP01 screen has been changed to capture the new activity types being adopted for HOPWA: Facility-based Housing Operations and Development have been separated; Tenant-based Rental Assistance and Short-term Rent Mortgage Utility, previously under Scattered site, have been separated; separate activities were created for Resource ID/Technical Assistance and Housing Information; and Permanent Housing Placement was separated from Supportive Services. Additionally, new fields have been added to the screen to capture type of organization carrying out the activity.

Edits:

Activity Type: One and only one activity type must be selected. If user changes activity type on existing activities, the program will delete any "path" data previously entered for the activity that no longer applies to the new activity type.

Name of Organization: Not a required field. If user enters something, it will be saved to the database.

Is organization faith-based? Can be Y or N. Default to N if nothing entered.

Is organization community-based? Can be Y or N. Default to N if nothing entered.
