
Mileage Reimbursement Rates
(Effective June 19, 1983)

Authorized Use of POV	Mileage Reimbursement Rate (cents per mile)
1. High-mileage (12,000 miles or more per fiscal year) driver committed to use a Government-furnished vehicle (GFV):	
a. Prior to assignment of available vehicle and when a short-term GFV is not advantageous to the Government or is unavailable.	20.5
b. For occasional use of a POV in lieu of the assigned vehicle.	9.5
2. High-mileage, uncommitted driver who elects to use POV.	18
3. When a GFV is not advantageous to the Government or is unavailable for an individual travel assignment.	20.5
4. When a POV is authorized for an individual travel assignment even though use of a GFV would be most advantageous to the Government.	18
5. When a GFV is authorized and available for an individual travel assignment and a traveler elects to use a POV.	9.5
