

Coastal Zone Management Checklist

Checklist for HUD or Responsible Entity

General requirements	Legislation	Regulation
Ensure that projects are consistent with the State Coastal Zone Plan	Coastal Zone Management Act 16 U.S.C. 1451-1464	15 CFR Part 930

Currently the State of Alaska does not have a Coastal Zone Management Plan. Projects are not subject to this requirement.

DISCLAIMER: This document is intended as a tool to help grantees and HUD staff complete NEPA requirements. This document is subject to change. This is not a policy statement. Legislation and Regulations take precedence over any information found in this document.
