1. This Transmits:

Handbook 4050.3, Computerized Underwriting Processing System (CUPS) User's Handbook.

2. Purpose:

The purpose of this new Handbook is to provide the Field Office CUPS user with a basic guide which outlines and describes the procedures for using the system to process multifamily project proposals.

The Handbook describes the processing programs, in addition to programs used for comparable data updating and file maintenance.

The Handbook also contains an introduction to CUPS and a description of the CUPS project file structure.
