

## APPENDIX 61

## STATES USE OF SOCIAL SECURITY NUMBERS FOR DRIVER'S LICENSES

Of the 16 jurisdictions that require the Social Security number to be shown, only 5 use it as the driver license number. In 11 other States, the submittal of the Social Security number is voluntary, but if it is submitted it is used as the driver license number in 4 States. A photograph is used on the driver license in all States except New Jersey, where it is required for those under 21 and optional for others, and Vermont, where the photo is optional.
