

Amendment # 3 to the Moving to Work Agreement

This Amendment # 3 to the Moving to Work Demonstration Agreement (the MTW Agreement) is entered into by and between the U.S. Department of Housing and Urban Development (HUD) and the Minneapolis Public Housing Authority (MPHA).

WHEREAS the parties now desire to amend the MTW Agreement;

NOW, THEREFORE, the parties do hereby agree as follows:

The Agreement is hereby amended by adding the following:

- 1) The term of this Agreement shall be extended for eight months from the initial term. The MTW Agreement shall now expire on April 30, 2008.
- 2) The following sections are added to *Article I, HUD Program Requirements and Other Federal Requirements* of the MTW Agreement:

“J. Data Collection

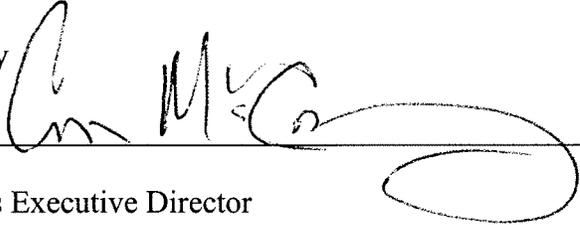

1. The Fiscal Year 2006 Appropriations law that authorizes the extension to MTW Agreements specifies that for those MTW sites that are provided an extension, “the Secretary shall require that data be collected so that the effect of Moving to Work policy changes on residents can be measured.”

To meet this data collection requirement, HUD is therefore requiring the Minneapolis Public Housing Authority to transmit 50058 data either by continuing to submit HUD-50058 data using the Form 50058 module, or by using the MTW Template submitted to the MTW module. (The MTW Template contains a subset of fields from the Form HUD-50058 MTW.) This Amendment emphasizes that MTW Demonstration sites have been required to collect the data throughout the term of participation in the Demonstration, and now HUD requires submission of that data in order to comply with the request of Congress.

2. Further, the Minneapolis Public Housing Authority is required to submit Voucher Management System (VMS) Data on a quarterly basis. Instructions on VMS reporting are available on the VMS website and are referenced in PIH notices published annually implementing the Appropriations Act.
3. These provisions shall apply only with respect to families receiving Section 8 tenant-based assistance for homeownership in accordance with this Agreement.”

This Amendment No. 3 is effective upon execution by HUD.
