

Amendment # 2 to the Moving to Work Agreement

This Amendment # 2 to the Moving to Work Demonstration Agreement (the MTW Agreement) is entered into by and between the U.S. Department of Housing and Urban Development (HUD) and the Housing Authority of the City of Pittsburgh (HACP).

WHEREAS the parties now desire to amend the MTW Agreement;

NOW, THEREFORE, the parties do hereby agree as follows:

The Agreement is hereby amended by adding the following:

1. The term of this Agreement shall be extended for three years from the initial or extended term specified herein. The MTW Agreement shall now expire on December 31, 2009.
2. The following sections are added to *Section F, Administrative Issues, 2. Reporting Requirements* of the Appendix of the MTW Agreement:

“c. Data Collection

1) The Fiscal Year 2006 Appropriations law that authorizes the extension to MTW Agreements specifies that for those MTW sites that are provided an extension, “the Secretary shall require that data be collected so that the effect of Moving to Work policy changes on residents can be measured.”

To meet this data collection requirement, HUD is therefore requiring the Housing Authority of the City of Pittsburgh to transmit 50058 data either by continuing to submit HUD-50058 data using the Form 50058 module, or by using the MTW Template submitted to the MTW module as soon as it is available after the PIC release in March 2006. (The MTW Template contains a subset of fields from the Form HUD-50058 MTW.) This Amendment emphasizes that MTW Demonstration sites have been required to collect the data throughout the term of participation in the Demonstration, and now HUD requires submission of that data in order to comply with the request of Congress.

2) Further, the Housing Authority of the City of Pittsburgh is required to submit Voucher Management System (VMS) Data on a quarterly basis. Instructions on VMS reporting are available on the VMS website and are referenced in PIH notices published annually implementing the Appropriations Act.”

3. In addition, to ensure that HUD and MTW Demonstration sites meet the Congressional reporting requirement, this Amendment emphasizes the required timely submission of Annual Plans and Reports. Please note that Housing Authority of the City of Pittsburgh’s Annual Plan is due November 1 and Annual

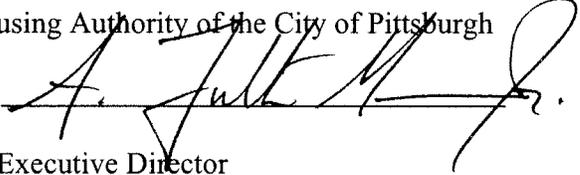

Report is due March 31. The Annual Plan and Report should be submitted to both HUD Headquarters and Field Office.

4. Further, this amendment recognizes the importance of the HACP's *Comprehensive Capital Development Plan* developed in June 2005, and revised in December 2005, in response to the Office of Inspector General Audit Report (Pittsburgh HA Moving To Work Program 2005-PH-1008, issued March 24, 2005). The HACP will document progress on the Comprehensive Capital Development Plan at least annually as part of its Moving To Work Annual Plan and Annual Report, and additionally as necessary HACP will submit progress updates of the Comprehensive Capital Development Plan to HUD. Failure to make timely progress in implementation of the Comprehensive Capital Development Plan may constitute noncompliance with the MTW Agreement.

Except as expressly provided in this Amendment, every term and condition contained in the MTW Agreement shall continue to apply with the same force and effect as if it were fully set forth herein, with such corrections, variations and modifications thereof as may be appropriate to make the same conform to this Amendment. This Amendment is effective upon execution by HUD.
