**Part D of the Housing Assistance Payments (HAP) Contract: Disaster Voucher Program Addendum**

**1. Disaster Voucher Program**

This addendum to the HAP contract applies to the Department of Housing and Urban Development's (HUD) Disaster Voucher Program (DVP).

The DVP is authorized by the Department of Defense Appropriations Act, 2006 (Pub. L. No. 109-148), which provides funding for tenant-based rental voucher assistance under Section 8(o) of the United States Housing Act of 1937 to assist certain families displaced by Hurricanes Rita and Katrina. Under DVP, families are provided a temporary monthly rental assistance subsidy to assist them in obtaining decent, safe and sanitary housing in the private rental market. The DVP is administered by public housing agencies that are currently administering a housing choice voucher program.

**2. HUD Requirements**

The definition of "HUD requirements" in Section 17 of Part C of the HAP contract is amended to read as follows: "HUD requirements for the DVP, including the DVP Operating Requirements issued by HUD. HUD requirements are issued by HUD Headquarters as regulations, Federal Register Notices or other binding program directives."

**3. Conflict Provision**

To the extent that there is a conflict between any provision of the HAP contract and the DVP Operating Requirements issued by HUD, the DVP Operating Requirements shall govern.
