

Contact information for
Healthy Resources Enterprises, Inc.
HUD's Reimbursement Payment Contractor

HUD's Office of Healthy Homes and Lead hazard Control has contracted with Healthy Resources Enterprises, Inc. ("HRE") to reimburse owners for the cost of a risk assessment approved by Consolidated Safety Services, Inc (CSS) or HUD's Office of Healthy Homes and Lead Hazard Control. When the risk assessment report for a property invited to participate under the Big Buy Reimbursement Program is submitted to CSS, the owner should simultaneously submit to HRE a copy of the invoice submitted by the risk assessor to the owner for the cost of the performance of the required risk assessment and the preparation of the risk assessment report.

If a risk assessment report is found to be technically acceptable by CSS or HUD, and if funds are available, the owner will receive a payment from HRE. Payment will be made by check to the property's HUD recognized ownership entity, unless the owner requests an electronic deposit to the owner's designated property project account.

Owners may contact HRE by telephone at 713-673-8440 or by email at main@hre-inc.com with questions regarding the submission of the invoice received by the owner from the risk assessor for the completion of the risk assessment and preparation of the risk assessment report; and to confirm if delivery of payment to the ownership entity should be made by check or electronic deposit. The owner will mail invoices to HRE at the following address:

Healthy Resources Enterprises, Inc.
530 North Sam Houston Parkway East
Suite 300
Houston, Texas 77060
