Section I Handbook Introduction

Chapter 1 Introduction

1.1

Purpose of the Section 232 Handbook

8
9 The Section 232 Program is a Federal Housing Administration (FHA) mortgage insurance
10 program that insures HUD-approved Lenders against financial loss from mortgage defaults. This
11 Handbook establishes uniform national standards for applying, underwriting, submitting for
12 approval, closing, managing and servicing mortgages insured or held pursuant to Section 232 of
13 the National Housing Act. Section 232 mortgage insurance is available on mortgages that finance
14 residential healthcare facilities, such as, nursing homes, assisted living facilities and board and
15 care facilities. Eligible mortgages can be for the purchase, refinance, new construction, or
16 substantial rehabilitation – or for a combination of these. Section 232 may also be used to insure
17 mortgages to install fire safety equipment in such properties.

18
19 HUD’s Office of Healthcare Programs (OHP), and specifically the Office of Residential Care
20 Facilities (ORCF) within OHP, has responsibility for administering the Section 232 mortgage
21 insurance program.

22
23 The information collection requirements contained in this document have been approved by the
24 Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44
25 U.S.C. 3501-3520) and assigned OMB control number 2502-0605. In accordance with the
26 Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to
27 respond to, a collection of information unless the collection displays a currently valid OMB
28 control number.

1.2

Handbook Sections

31
32 In addition to this introductory section (consisting of this chapter and a chapter on Lender
33 Relations), there are two primary sections of this Handbook. Those are the Production section
34 and the Asset Management section.

35
36 A. **Production.** The Section 232 Production section provides mortgage insurance program
37 descriptions, Borrower and Lender eligibility requirements, application requirements,
38 underwriting standards and construction loan administration requirements. It also provides

39 approved Lenders the instructions to prepare, process and submit loan applications for
40 residential healthcare facilities financed for FHA mortgage insurance.

- 41
- 42 B. **Asset Management.** The Section 232 Asset Management section is designed to establish
43 national standards for the servicing and risk management of Section 232 FHA-insured
44 mortgages. The section also describes how each Account Executive (AE) works in
45 partnership with the Borrower and Lender to ensure each FHA-Insured 232 mortgage is
46 financially and operationally strong, that each property provides a safe, quality place of
47 residence, and that the loan remains viable for the term of the mortgage.
- 48
- 49

1.3

Legal Authority

- 50
- 51 A. **Section 232:** The Section 232 Program is authorized by Section 232 of the National Housing
52 Act (12 U.S.C. 1715w), (12 U.S.C. 1715(b)) and 42 U.S.C. 3535. Statutory authority for the
53 implementation of the Section 232 programs is contained in the basic insuring authority for
54 each of the Section 232 programs. See the National Housing Act, Sections 223(a)(7), 232,
55 223(d), 232/223(f), and 241. Additionally, Section 211 of the National Housing Act
56 authorizes and directs the Secretary to make such rules and regulations as may be necessary
57 to carry out the provisions of the Act. Regulatory authority includes 24 CFR Parts 200, 232
58 and Section 5.801.
- 59
- 60 B. **Section 232/223(f):** Section 223(f) of the National Housing Act was added by Section
61 311(a) of the Housing and Community Development Act of 1974 [and is codified at 12 U.S.C.](#)
62 [1715n\(f\)](#). The program regulations are found in 24 CFR, Parts 200 and 232.
- 63
- 64 C. **Section 232/223(a)(7):** The Section 232/223(a)(7) program is authorized by the National
65 Housing Act (12 USC 1715n(a)(7)).
- 66
- 67 D. **Section 232/241(a):** The Section 232/241(a) program is authorized under the National
68 Housing Act, as amended, Section 241, Public Law 90-448 (12 U.S.C. 1715) and Public Law
69 94-375 (12 U.S.C. 1715z-6(a)). The program regulations are found in 24 CFR Parts 200 and
70 241.
- 71
- 72 E. **Section 223(d):** The Section 223(d) Operating Loss Loan program is authorized by Section
73 223(d) (12 U.S.C. 1715n(d)) of the National Housing Act 1937, as amended; Public Law 90-
74 448, as amended; and Public Law 91-152, 12 U.S.C. 1715x. The program regulations are
75 found in 24 CFR 207.
- 76
- 77 F. **Section 232(i):** The Section 232(i) program is authorized under the National Housing Act
78 (12 U.S.C. 1715--w(i)) as amended; Section 203(i) Public Law 93-204 . The program
79 regulations are found in 24 CFR Part 232 Subpart C.
- 80
- 81
- 82

1.4

Relation of Section 232 Handbook to Other Guidance

83
84 This Handbook is intended as a comprehensive guide to the Section 232 Program, and
85 supersedes prior handbook or other guidance specifically on the Section 232 Program, consistent
86 with statutory and regulatory requirements. Handbook chapters may include appendices which
87 list the most recently published [transactional](#) documents, but the Handbook also covers
88 transactions for which earlier versions of the documents were used and are in force. There may
89 also be instances where existing guidance (particularly related to Borrower audited financial
90 statement matters), references “Multifamily Housing”, because the guidance was issued at a time
91 when the Section 232 Program was a part of the Office of Multifamily Housing, and thus is still
92 applicable to Section 232 Projects. If a particular Section 232 program matter is not addressed in
93 this Handbook, and appears in other guidance, questions regarding applicability may be raised
94 with ORCF.

95
96 This Handbook is part of “Program Obligations,” a term used in multiple controlling documents
97 and also at various places in this Handbook. “Program Obligations” means (1) all applicable
98 statutes and any regulations issued by HUD pursuant thereto that apply to the Project, including
99 all amendments to such statutes and regulations, as they become effective, except that changes
100 subject to notice and comment rulemaking shall become effective only upon completion of the
101 rulemaking process, and (2) all current requirements in HUD handbooks and guides, notices, and
102 mortgagee letters that apply to the Project, and all future updates, changes and amendments
103 thereto, as they become effective, except that changes subject to notice and comment rulemaking
104 shall become effective only upon completion of the rulemaking process, and provided that such
105 future updates, changes and amendments shall be applicable to the Project only to the extent that
106 they interpret, clarify and implement terms in this Agreement rather than add or delete provisions
107 from such document. Handbooks, guides, notices, and mortgagee letters are available on HUD’s
108 official website: <http://www.hud.gov/offices/adm/hudclips/index.cfm>
109 http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/hudclips or a
110 successor location to that site.

1.5

Waivers of the Section 232 Handbook

113
114 This Handbook provides instructions to Lenders on how to apply, underwrite, close and service
115 232 insured mortgages [consistent with program-related regulatory requirements and other](#)
116 [directives](#). However, there are situations where Lenders are fully aware of ORCF’s program
117 requirements, but have legitimate business reasons for seeking loans for projects that do not fully
118 meet ORCF’s published guidelines. In those circumstances, the Lender must apply for a waiver
119 of the program requirement, in advance of the transaction’s approval. During the course of
120 ORCF’s review of a Lender’s application, it may also be determined that a waiver is needed to
121 obtain or maintain section 232 insurance. In either case, ORCF sets a high standard to approve
122 program waivers.

124 There are two types of waiver requests: Regulatory waivers and Housing Directive waivers.
125 Regulatory waivers are issued to waive a rule that is published in Title 24 of the Code of Federal
126 Regulations. Generally, rules are established pursuant to statutory authority or by publication in
127 the Federal Register for notice and comment. Regulatory waivers **can only** be approved by the
128 FHA Commissioner. Housing Directive waivers are issued to waive handbook provisions,
129 Mortgagee Letters and other directives issued by the program office. Housing Directive waivers
130 are approved by OHP management under provisions determined by HUD.

131
132 Waiver requests are project specific. A Lender must follow the waiver provisions that are
133 prescribed in its application process. If the waiver request is not associated with an application
134 or not prescribed, the Lender should send the following information to the HUD Underwriter or
135 Account Executive assigned to the project:

- 136
137 A. Project Name,
138 B. Project Address,
139 C. FHA Number,
140 D. Type of Facility,
141 E. Number of beds,
142 F. Number of units, and
143 G. Full explanation and supporting documentation on why the project cannot meet the
144 program requirements.

145
146 It is also important to remember that statutory provisions may not be waived unless expressly
147 permitted by statute. Generally, statutory requirements in the areas of fair housing, civil rights,
148 environmental protection, and labor standards may not be waived. .

149
150

1.6

Identity of Interest (IOI)

151
152 In processing and reviewing applications for FHA-insured mortgages, and in ensuring the long-
153 term viability and ongoing programmatic compliance of FHA-insured projects and their
154 participants members of the development team, operators, and investors pursuant to Section 232
155 of the National Housing Act, ORCF analyzes the relationship between and among entities.
156 ORCF analyzes relationships in order to determine if one entity *could* significantly influence
157 another entity to an extent that one or more of the entities party to a project-related transaction
158 might be prevented from fully pursuing its own separate interests. In its analysis of the
159 relationships between and among entities, HUD will determine whether any relationship would
160 reasonably give rise to a presumption that the parties may not operate at arm's length. When it is
161 determined that a relationship between or among the proposed parties constitutes an identity of
162 interest, additional requirements and/or certain restrictions will apply.

- 163
164 A. Definition. An “**Identity of Interest**” (whether or not such term is capitalized) is any
165 relationship based on family ties or financial interests between or among two or more entities
166 involved in a project-related transaction which reasonably gives rise to a presumption that the
167 entities may not operate at arms-length. These project-related transactions include, but are
168 not limited to:

169
170
171
172
173
174
175
176

208
209
210
211
212
213

1. Establishing the purchase price of the property,
2. Establishing the cost of the design, rehabilitation or construction (or influencing the performance of entities charged with carrying out such work),
3. Establishing the terms of the financing,
4. Controlling the funds, or
5. Providing legal, consulting or management services.

B. Application. An identity of interest shall be deemed to exist between two entities if:

1. An entity, or any Owner of any direct or indirect ownership interest of such entity, or any family member of any such Owner, is:
 - a. an Owner of any direct or indirect interest in the other party, or
 - b. an officer, director, stockholder, partner, trustee, manager or member of such other party; or
2. Any officer, director, stockholder, partner, trustee, manager, member, principal staff, contract employee or consultant of an entity, or any family member of any such officer, director, trustee, stockholder, partner, trustee, manager, principal staff, contract employee or consultant, is:
 - a. an Owner of any direct or indirect interest in the other party, or
 - b. an officer, director, stockholder, partner, trustee, manager or member of such other party.
3. A “family member,” as used herein, means, with respect to any person, his/her spouse, parents, siblings, children, grandparents, grandchildren, aunts, uncles, mother-in-law, father-in-law, brothers-in-law and sisters-in-law.

C. Determinations. The definition of “identity of interest” is generally applicable to HUD’s determination of the appropriateness of relationships between and among parties involved in the financing, development and operation, management and ownership of the project. HUD concerns itself with the relationship between and among entities involved in project-related transactions throughout the development and asset management processes. Due to the inherent complexity of identity of interest determinations, additional guidance on the determinations made and what additional requirements or restrictions are applicable when involving various types of entities is provided in the appropriate chapters.

1. **Identities of interest addressed in this Handbook.** Identities of interest involving the following parties are addressed in this Handbook:
 - a. Lenders (FHA Lender) (see Introduction, Chapter 2),
 - b. Lenders (Existing Lender, Bridge Lender, and Mezzanine Lender) (see Production, Chapter 3)
 - c. Borrowers, Buyers and Sellers (see Production, Chapter 3)
 - d. Accounts Receivable Lenders (see Production, Chapter 15)
 - e. Architects (see Production, Chapters 10 and 11)

- 214 f. Contractors (General Contractors, Subcontractors, Suppliers) (see Production,
215 Chapters 10 and 11)
- 216 g. Operators and Management Agents (see Production, Chapter 8 and Asset
217 Management, Chapter 8)
- 218
- 219 2. **Establishing the purchase price of the property.** HUD defines an identity of
220 interest purchase as a transaction in which there is a relationship of any degree
221 between the seller and purchaser (or any affiliates or principals of any such entities)
222 that survives the transaction and could be construed to not be arms-length. These
223 transactions include instances where a partner is being bought out, but may not
224 necessarily include sale-leaseback transactions (see Production, Chapter 2 & 3).
225
- 226 3. **Establishing the cost of the design, rehabilitation or construction (or influencing
227 the performance of entities charged with carrying out such work).**
- 228 a. Relationships between the architect and the Borrower, general contractor or
229 subcontractor are discussed in Production, Chapter 11.
- 230 b. Rules pertaining to Cost Certification (see Production, Chapter 11) are
231 impacted when there is an identity of interest between or among:
- 232 i. The Borrower and the general contractor, or
233 ii. The Subcontractor and the Borrower, general contractor, another
234 subcontractor, equipment lessor or material supplier
- 235 c. HUD requires the FHA Lender (Lender) to assess a Borrower's previous use
236 of a contractor when an identity of interest is involved (see Production,
237 Chapter 10).
238
- 239 4. **Establishing the terms of the financing.**
- 240 a. The Lender (and any affiliates or principals) cannot have an identity of
241 interest with the Borrower (and any affiliates or principals). The Lender (and
242 any affiliates or principals) also cannot have an identity of interest with a
243 sponsor, general contractor, subcontractor or the seller of a particular
244 transaction (see Introduction, Chapter 2).
- 245 b. ~~The Lender (and any affiliates or principals) cannot have an identity of~~
246 ~~interest with a consultant (mortgage broker, loan correspondent and packager~~
247 ~~(see Introduction, Chapter 2).~~—See Production, Chapter 12.2.E for guidance
248 on how to process applications involving an identity of interest between the
249 Lender and a tax credit equity syndicator or an investor.
- 250 c. HUD also examines relationships between and among other Lenders involved
251 in various aspects of the project:
- 252 i. In the case of existing indebtedness created with an identity of interest
253 between the Borrower and the current Lender in a banking
254 relationship, where a third party lender submits the firm application, a
255 Debt Investigation is always required (See Production, Chapter 3).
- 256 ii. Bridge Lenders may have an identity of interest with the Lender, and
257 an existing Lender may engage an identity of interest Lender in taking
258 out a bridge loan of this debt. However, in both instances, HUD will

259 require the Lender to disclose the relationship and to carefully justify
260 the concluded valuation (see Production, Chapter 3).
261 iii. Mezzanine Lenders may not have an identity of interest with the
262 principals of Borrower, but may have an identity of interest with the
263 existing Lender, subject to the same scrutiny as Bridge Lenders (see
264 Production, Chapter 3).
265 iv. In the case of bond financed transactions, a financing fee beyond 3.5%
266 will not be recognized where an identity of interest is involved
267 between the sponsor or Borrower and a Lender (see Production,
268 Chapter 3).
269

270 **5. Controlling the funds.**

- 271 a. When accounts receivable (AR) financing is involved, any identity of interest
272 involving the AR Lender must be disclosed, analyzed and mitigated if it is
273 determined that a potential conflict of interest is present (see Production,
274 Chapter 15).
275 b. Additional requirements and restrictions may apply when various other
276 identities of interest exist (e.g. between the Borrower and the Operator,
277 Management Agent and/or Lessee/Tenant).
278

279 **6. Providing legal, consulting or management services.**

- 280 a. In the Opinions of Borrower's and Operator's Counsel (Form HUD-91275-
281 INST), an attorney signing the Opinion cannot have any identity of interest
282 with any party to the transaction. If another member of the firm has an
283 interest in any entity involved in the transaction, such a relationship must be
284 disclosed. Additionally, attorneys that represent both the Borrower and the
285 Operator must disclose to both parties the inherent conflicts of interest
286 involved.
287 b. Fees arising from pre-opening management services provided are not included
288 as a mortgageable cost if an identity of interest exists between the Borrower
289 and the service provider (See Production, Chapter 2).
290 c. Any identity of interest between a prospective risk management provider and
291 the Borrower, Lessee or Lender must be disclosed and analyzed (see Asset
292 Management, Chapter 5).
293

294 **D. Conflict of Interest.** HUD Regulations for general lender approval (24 CFR §202.5(1))
295 include the following prohibition of conflicts of interest:
296

297 *Conflict of interest and responsibility.* A mortgagee (Lender) may not pay
298 anything of value, directly or indirectly, in connection with any insured mortgage
299 transaction or transactions to any person or entity if such person or entity has
300 received any other consideration from the mortgagor, seller, builder, or any other
301 person for services related to such transactions or related to the purchase or sale of
302 the mortgaged property, except that consideration, approved by the Secretary,
303 may be paid for services actually performed. The mortgagee shall not pay a
304 referral fee to any person or organization.

305
306
307
308
309
310
311
312
313
314

In its analysis of relationships between and among parties to project-related transactions and Lenders, HUD will examine identities of interest, in part, to determine if they result in a conflict of interest. When a conflict of interest is determined to exist, certain prohibitions or additional risk mitigation may be required.

[NOTE: See Introduction and Production Chapter 15, for specific discussions of conflicts of interest involving Lenders and AR financing situations.]

DRAFT
