

FREE EPC ASSISTANCE

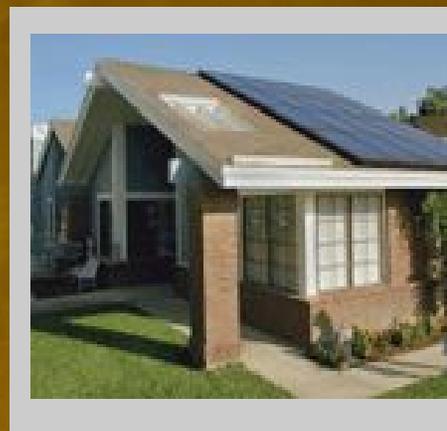

**Determining Scope of Work for an EPC
from an Existing 5 year Energy Audit and Utility Bill Analysis**

If you answered “yes” to these questions, HUD may be able to offer you assistance determining your scope of work. Don’t delay.

Contact HUD right away.

- Can your PHA use help to determine the scope of work for Energy Performance Contracting?
- Do you currently have a 5 year energy audit? (pre-requisite)
- Are you a small PHA?

First-come, first served.
