SUBJECT: Interim Obligation Letter Public Housing Operating Subsidies

Dear Mr. Simmons:

This letter obligates \$445,903 of Operating Fund subsidy for the months of February and March 2012. The amount of the interim obligation is based on this project's initial calendar year estimated eligibility. For more information on the methodology used to establish both initial subsidy eligibility and funding availability, please see

http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/programs/ph/am/of/opfnd2012

Please note that the initial estimated eligibility for this project may vary from its final eligibility determination. The program's total operating subsidy eligibility and funding amounts for all PHAs may change once all FFY 2012 operating subsidy forms and 2012 subsidy allocation adjustments have been processed. Therefore, the final proration level may vary from the interim proration level.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.

By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.

Dear Mr. Seymour:

This letter obligates \$12,115 of Operating Fund subsidy for the months of February and March 2012. The amount of the interim obligation is based on this project's initial calendar year estimated eligibility. For more information on the methodology used to establish both initial subsidy eligibility and funding availability, please see

Please note that the initial estimated eligibility for this project may vary from its final eligibility determination. The program's total operating subsidy eligibility and funding amounts for all PHAs may change once all FFY 2012 operating subsidy forms and 2012 subsidy allocation adjustments have been processed. All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.
