All-

**Notice of Funding Availability (NOFA) for Fiscal Year 2013: OneCPD+: Technical Assistance and Capacity Building under the Transformation Initiative:**

This NOFA is designed as a cross-program, assessment-based and impact-focused delivery system. OneCPD+ is intended as a collaborative effort among HUD, our customers – state and local grantees, public housing agencies, owners and managers of HUD-assisted housing, Continuums of Care (CoCs), non-profit grantees, HUD-approved housing counseling agencies and counselors, and other stakeholders – and successful applicants focused on building the kind of management systems and functional capacity necessary to successfully carry out comprehensive and sustainable “place-based” development and revitalization strategies. Just as importantly, OneCPD+ will allow customers to showcase accomplishments by measuring not only the outputs of this technical and capacity building assistance but the outcomes and the impact on communities as well.
