FHA Loss Mitigation Webinar Series:

June - September, 2012 – Webinar: FHA Loss Mitigation Series: FHA now offers a series of new Loss Mitigation webinars designed for FHA Approved Servicing Lenders and Housing Counseling Agencies. The webinar modules provide participants with a detailed overview of FHA's Loss Mitigation options and process workflows; including how servicers must apply the waterfall priority, FHA's definition of key timelines, SFDMS reporting requirements, claim filing process, industry best practices, and an opportunity to participate in customer case studies. Offering the webinars exclusively to our servicing partners allows us to focus on servicer requirements and questions. We encourage all staff and managers engaged in the Loss Mitigation process from collections to claims and counseling to attend. The classes will serve as a refresher course for your seasoned staff and provide an excellent foundation for new staff working with Loss Mitigation. These Loss Mitigation Webinars will be conducted as a series on a rotating basis. FHA is providing two scheduled opportunities for training sessions. All webinars will be held on a Wednesday at 2:00 pm EST, and are 2 hours in duration.
