This event is geared to strengthen family ties and educate fathers. Fathers will have an opportunity to see what services are available to them. Children and fathers will have fun working with community partners in a positive environment, while being introduced to agencies and building skills which will allow then to play an active role in the care of their children. Fathers are far more than just second adults' in the home, involved fathers bring positive benefits to their children. Fathers have a direct impact on the well-being of their children. .

Provide your child the best opportunities for success!

About Richmond Redevelopment and Housing Authority:

Richmond Redevelopment and Housing Authority (RRHA) is the largest housing authority in the commonwealth of Virginia. RRHA has approximately 250 employees who serve approximately 10,000 residents and manage nearly 4,100 units through its Public Housing Program and serves approximately 2,900 families through its Housing Choice Voucher (Section 8) Program. RRHA also leads neighborhood redevelopment and conservation programs throughout the city of Richmond. This is the fifth year RRHA has partnered with the US Department of Housing and Urban Development' National Fatherhood Initiative.

About West Point Middle School STEM Workshop:

Known as the Nation's first school of engineering, the United States Military Academy at West Point offers a unique middle school STEM program taught by Academy faculty and cadet members. Students participate in hands-on lessons and tasks in robotics and science, technology, engineering and math. This is the fifth year the West Point Cadets have partnered with RRHA to provide this program.

About HUD'S Father's Day Initiative:

For the fifth consecutive year, the U.S. Department of Housing and Urban Development (HUD) is encouraging hundreds of public housing authorities across the country to participate in the HUD National Father's Day Initiative by hosting events to celebrate fatherhood and family. HUD's Father's Day initiative is part of a larger Obama Administration effort to promote responsible fatherhood. The National Conversation on Responsible Fatherhood and Strong Communities focuses on fatherhood and at-risk youth—a priority for the White House Office of Faith-Based and Neighborhood Partnerships. HUD's mission is to create strong, sustainable, inclusive communities and quality affordable homes for all. More information about HUD and its programs is available on the Internet at www.hud.gov and http://espanol.hud.gov. You can also connect with HUD on social media and follow Secretary Castro on Twitter and Facebook or sign up for news alerts on HUD's Email List.
