

PIH.RHIIP.TA Message # 2011-02 Distributed January 10, 2011

Please be advised that the Office of Public and Indian Housing (PIH) Enterprise Income Verification (EIV) System weekend summarization job failed due to duplicate Public and Indian Housing Information Center (PIC) household records. This means that the following reports will contain all zeros or the following message “**No Results for the search criteria selected above**”:

- Income Information by Reexamination Month
- Multiple Subsidy Report
- Deceased Tenants Report
- Identity Verification Report
- Immigration Report
- New Hires Report

Income information is available for tenants by using the **By Head of Household** function from the left navigation panel.

The following reports contain data: Income Report (By Household), Income Discrepancy Report and the Debts Owed to PHAs & Terminations Report.

We apologize for the inconvenience and expect reports to be updated with the next successful weekend summarization job which is scheduled for **January 17, 2011**.
