Agencies Participating in HUD's Housing Counseling Program:

Form HUD-9902 Reporting

All Agencies participating in HUD's Housing Counseling Program are required to electronically submit, through HUD's Housing Counseling System (HCS), Form HUD-9902 reporting all counseling and education activity, through all sources of funding, for the period 10/1/07 - 9/30/08, Fiscal Year (FY) 2008.

HCS Open for Late Submissions

Our records indicate that recipients of this message have not yet submitted their Form HUD-9902 for FY08. The deadline for submission was 12/31/08.

HUD has configured HCS to continue to receive form HUD-9902 submissions through January 31, 2009. It is critical that you submit your report by this date. While these submissions will be considered late, failure to submit Form HUD-9902 may result in your agency's removal from HUD's Housing Counseling Program.

Agencies can access HCS through HUD's website at <http://www.hud.gov/offices/hsg/sfh/hcc/hccprof17.cfm>

If you have any questions or concerns please feel free to contact your government technical representative (GTR) or other Program Support Division staff for assistance. Thank you for your cooperation.

Sincerely,

Director, Program Support Division
