

## **HECM Endorsed Loans Report for HECM Counseling Agencies**

HUD Housing Counseling Agencies;

Effective on August 8, 2011, Application Coordinators in housing counseling agencies with HECM roster counselors will be able to pull a monthly report from FHA Connection on HECM loans endorsed since January 1, 2010. The report will be available to each agency and for intermediaries, multi-state organizations, state housing finance agencies, and any other agency that has sub-agencies, you will be able to see the loans endorsed by each sub-agency. The report will show the parent agency ID and name and then each child (sub-grantee or branch) and grandchild (sub-agency of a sub-grantee or branch) agency associated with the parent. Under each child and grandchild agency endorsed loans will be listed by lender with the case number, borrower name, HECM certificate number, endorsement date, counseling date and counselor ID and name.

The report will be accessed through a new link in FHA Connection labeled "HECM Counseling Reports". The Application Coordinator will click on the link and see a screen listing all the reports that are available by month. These reports can be downloaded as PDFs or as raw data in an excel spreadsheet.
