

Climate justice and fair housing in Texas

2015 FHEO National Policy Conference

Resources:

[Texas RioGrande Legal Aid](#) (TRLA) has filed a federal civil rights complaint in response to a proposed highway bridge proposal directly through a traditionally African-American neighborhood in Corpus Christi. We collaborated with TRLA to produce [a short documentary](#) on the neighborhood's history of disenfranchisement and pollution.

More on the CES chemical plant in a residential neighborhood in Houston:

[EPA to clean up abandoned waste site that has plagued Houston neighborhood](#), *Houston Chronicle*

[Toxic waste spilling into south Houston neighborhood](#), KHOU-TV

In 2013 we filed [a complaint with HUD FHEO](#) about Beaumont's use of Hurricane Ike disaster recovery funding in a way that was not consistent with fair housing nor environmental justice.

[The Fair Housing Activity Statement - Texas \(FHAAT\) form](#) is intended to help communities further fair housing, to review the state's Analysis of Impediments and develop action plans for the area.
