ATTN: Secretary Mel Martinez

Dear Secretary Martinez:

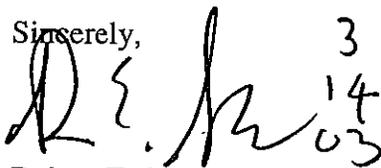

Pursuant to the National Manufactured Housing Construction and Safety Standards Act of 1974, I am formally transmitting a revision to a procedural and enforcement regulation. The revision affects 24 CFR, Part 3282, Manufactured Home Procedural and Enforcement Regulations.

The MHCC recommends the following statement to be included in Part 3282: **“No state or local jurisdiction shall allow a landowner to place restrictions on their land prohibiting homes built to the federal manufactured home construction and safety standards when the landowner allows other forms of single-family residential construction.”** The recommendation was approved in a vote by the MHCC in accordance with section A.8.5 of the bylaws and represents the official position of the MHCC. The vote was 20 in favor, 0 opposed, 0 abstaining and 1 absent.

On behalf of the MHCC, and in my capacity as the project manager with the Administering Organization, I am submitting this information for your review and the appropriate action required by the provisions of the 1974 Act. I am pleased with the efforts of the MHCC as it strives to uphold the provisions of the Act.

Please contact me if you or your staff have any questions on this submission.

Sincerely,

Robert E. Solomon, PE
Project Manager
