HUD Statement on Status of the Section 184 Program

On Tuesday, March 26, 2013, President Obama signed into a law a measure to continue funding the government through September 30, 2013. This budget compromise includes more than \$12 million for HUD's Section 184 home loan program. Starting today, HUD will resume accepting new loan applications under the Section 184 Program and will begin issuing loan approvals no later than April 15, 2013.
