

# Helping Homeless Veterans in Kentucky

## The Challenge to End Veteran Homelessness

The goal of the “Challenge to End Veteran Homelessness” is a national initiative to have all homeless Veterans housed by 2016. At this time there are more than 200 local officials in Kentucky that have accepted the Challenge to End Veteran Homelessness in their communities. Find out who they are [here](#).

If you are a homeless Veteran or a homeless service provider, please click a county to find housing and supportive services. If you have any questions about this challenge or resources, contact the HUD Kentucky Field Office at 502-582-5251 and press “0”.
